## State Final Information

1. **State Final Housing:** Sectional champions advancing to the State Final tournament need to make their own hotel/motel arrangements or the weekend. A list of area hotels can be found on the IHSA Bass Fishing page. It is our suggestion you make reservations immediately upon completion of the Sectional.
2. **School Packets:** Head Coaches can pick up their school packets during boat checks on Thursday. School packets will include participant passes for the teams and coaches. (See Terms and Conditions for details.)
3. **Passes:** Schools will be allowed to have personnel on site in accordance with the IHSA Bass Fishing Terms and Conditions. Only rostered participants will be allowed on site and on boats.
4. **Admission Prices:** There is no admission price to the IHSA Bass Fishing State Finals.
5. **Safety Check:** All boats must meet the safety check as designated by the DNR.
6. **Equipment Check:** All coaches and participants must wear a coast guard approved life jacket and protective eye wear the entire time on the boat.
7. **Lake Restrictions:** Lake information will be provided to coaches at the safety meeting held virtually on Monday evening, June 2, 2025.
8. **Exact fishing times:** On each day of the state tournament, fishing is scheduled to begin at 7:00 a.m. On each day, boats will return to the docks in flights based on their release time beginning at 3:00 p.m. in order to avoid any weight deduction penalty. The only variance to these fishing times would occur if a weather alert has been issued by tournament management.
9. **Limits:** Each boat must have a bump board and no fish under 12 inches may be kept. Only 5 fish may be in the live well at any one time in the boat. The five fish limit applies to the team on that boat. The participants may release one fish to replace it with a larger one, if they have met the 5 fish limit. All fish must be kept alive. Penalty will be assessed for any dead fish. (See Bass Fishing Terms and Conditions.)
10. **Communication:** All boats are required to have a cell phone and must provide the tournament manager the number of that cell phone in case of an emergency or bad weather conditions.
11. **Uniforms:** School uniforms can only have the school's name and/or logo and the student's name on them. Any sponsorship the school has secured cannot be displayed on the uniforms or on the coach/driver of the boat. Sponsorship logos may be displayed on the boats that are in the tournament.
12. **License:** All participants must have a current Illinois fishing license, unless under the minimum age requirement.
13. **State Final Tournament:** The Bass Fishing Tournament will be held at Lake Shelbyville on Friday and Saturday, June 6-7, 2025. Up to sixty (60) teams will compete in the State Final Tournament.
14. **Opening Ceremonies:** On each day of competition, boats will be released to Lake Shelbyville for fishing following the National Anthem. On day one of the state finals, boats will be released in order of the random drawing conducted by IHSA staff in advance of the tournament. On day two of the state finals, the boats will be released in reverse order of the day one release (Ex.: the last boat released on day one of the state finals will be the first boat released on day two).
15. **Results:** Results of the state finals, members of the advisory committee, and additional bass fishing information can be found on the IHSA web page [www.ihsa.org](http://www.ihsa.org). Click on Bass Fishing.
16. **Concessions:** Concessions will be available during the tournament.

**Have a great state final! Let us know if we can make your experience even better!**
