## **2022 IHSA CLASS 3A BOYS BASKETBALL**

**Friday, March 12, 2022**

**Semifinal, Game 1**

**State Farm Center, Champaign**

### **Winning Coach – Timothy Allen, Springfield (Sacred Heart-Griffin)**

It's an amazing feeling, it's indescribable to be up here with everyone here was there as freshmen and were playing big roles and to have that taken away from us when we were so excited about being here. That was a feeling that I never get over because you don't know that you will be back here. To get back here and watch it all play out and tomorrow we'll play for a state championship is just an unreal feeling, and glory to God for allowing to have this feeling.

Toughness (was the difference), just getting the ball inside calming down. In the beginning it was this is a big stage, that's why you see 14-5. Once we get over that and just be tough and kind of grind it out, there's a reason we've been able to win 34 games and the reason isn't me, it's their toughness and their chemistry.

### **Losing Coach – Matt Monroe, St. Ignatius College Prep**

We had a very special season, one that has been presented with a lot of challenges for us. No matter what the situation, they have always been resilient, they have always fought back. I couldn't be more proud of them. We didn't necessarily reach our goal of making the finals but I know there's a lot to be proud of and there's still more to play for.
