Third Place, Game 11

State Farm Center, Champaign

Winning Coach – Matt Monroe, St. Ignatius College Prep

Our guys have been students of the game. They are one of the most in-tuned and locked-in group of guys when it comes to scouting reports. The quick turnaround really didn't concern me because I knew they were going to be ready to go.

Rebounding is technique, but at the end of the day it's really about heart and toughness and our guys really wanted to win that game, they really wanted to finish the season on the right note. So, they did everything they could to keep those guys off the glass.

I think we got all of our misses in the first game. We shot 2 of 19 from 3 in the first game and that certainly hurt us. What we did was we put a little more focus on getting to the rim and shooting more high quality shots. We shot better because we were a little more selective.

Losing Coach – Robert Smith, Chicago (Simeon)

I was proud of them for the effort they gave in the second half. To some other people, this is really great for them. Our standards are set so high I kind of feel bad for the young men because the standards are set so high. They really can't enjoy this. This is an accomplishment they don't really know what it is. These guys really wanted it.
