

Administrative Recommendations:

3. Boys Bowling Saturday Lane Usage

Recommendation: Blocks at St. Clair Bowl will be adjusted as follows:

<u>Block 1</u>	<u>Block 2</u>	<u>Block 3</u>
3/4, 7/8, 11/12	15/16, 19/20, 23/24	27/28, 31/32, 35/36

Rationale: The use of lanes as listed will help avoid the narrow part of the house where the fan experience is limited, and traffic flow gets backed up. Most importantly this lane usage will allow use of the whole house and give participants and coaches some much needed space in the pit area.
