School Procedure:

The student and/or parents shall contact the school administrator or athletic director at their member school notifying them that the student has a different gender identity than listed on the student's school registration card or birth certificate and that the student wishes to participate in athletics/activities in a manner consistent with their gender identity. The school shall collect the following for the participation ruling:

 - a. Once the student is approved, participation is granted through the duration of the student's high school career and does not need to be annually renewed, unless the school or the student report that there has been a change in the original medical documentation submitted.
